

TO: Residents and Families of the Health Care Center
FROM: Kerry Huzzard, Personal Care Administrator
Meredith Feher, Senior Vice President of Health Care Services
DATE: April 25, 2023
SUBJECT: COVID-19 (Coronavirus) Update

Today we learned that a staff member of Personal Care tested positive for COVID-19. The staff member who tested positive last worked on Monday, April 24th and is experiencing mild symptoms. Per our protocols, this employee will remain in quarantine for the designated time period in accordance with state and federal guidelines. At this time, we currently have one resident and one employee in Personal Care positive for COVID-19.

Any direct contacts have been notified and will be monitored for any signs and symptoms associated with the virus. Our Medical Director, Dr. Charles Breish, is involved and overseeing the medical care protocols for this situation. We continue to follow the current testing and restriction guidelines from all appropriate governing bodies for Skilled Nursing and Personal Care.

Residents and staff are being closely monitored on an ongoing basis for any signs or symptoms. We are urging everyone to closely monitor themselves for any signs of illness and we continue to ask you not visit if you have been exposed or you are experiencing any symptoms.

We greatly appreciate your continued support in helping to keep the Waverly Heights community safe and healthy. If you have any questions or concerns please do not hesitate to reach out.
